

29.04.2011

Business Trade

Cabassy Oy has acquired the business of Digitekno Oy, according to an agreement that was signed on 26.4.2011. From 01.05.2011, the jointed business of the two companies continues under the name Digitekno Oy. The new owners of the jointed company are Tauno Marttinen, Arto Malm and Jouni Hakkola. The staff of the jointed company will continue working in their positions as former employees.

Below is the company information since 01.05.2011. We kindly ask all of our customers, suppliers and other business partners to update their systems with the new information.
